

Welcome to my alchemical storytelling workshops, joyful spaces for psychological artwork and creative inspiration, drawing on alchemical symbolism, fusing storytelling, artistic expression & play.

The workshops will be held in English.

FIRST COURSE – AUTUMN 2022

Saturday, 26 November – Sunday, 18 December 2022

THE SACRED TREE

Dedicated to Anima mundi.

Bookings & payment options at: poets-mavericks-and-prophets.com/workshops

Enquires at: milana@poets-mavericks-and-prophets.com

KEY INFO

All individual workshops will be 3h in duration and divided into three equal parts. In the first hour I will talk about the theme of the workshop, in a lecture format, the second hour will be allocated for group journeys, helpful techniques, and alchemical art exercises. The third hour is for sharing our experience, thoughts, mutual support, and guidance. The workshops will take place on Zoom, and links will be sent to all participants one day ahead of the workshop. They are intended for everyone with an interest in alchemical psychology and art, for novices as well as seasoned practitioners open to new perspectives.

PRICING AND PAYMENTS

All workshops will be available for purchase separately, or as one package.

Prices for individual workshops are €22 or 2,500 RSD per participant, and for all eight workshops, as a package €136, or 16,000 RSD.

For both international payments and for payments in Serbia, direct mobile or e-banking option will be available, for which I will provide instructions via email, as soon as you confirm your attendance.

THE SACRED TREE

WORKSHOPS SCHEDULE & SUMMARY

I

Sacred Space, Ancestor Work & Roots Of The Tree

Connecting with the here and now, our bodies, physical presence. The concept of cellular memory. Importance of environment. Sacred space - temenos, in art, hermetica, and psychology. Creating habitat. Element of Earth. Sovereignty & acknowledgment of territory. Reverence as daily observance. Our family tree. Saturn in our charts - the anchor. Guardians, patron saints, survival of the tribe. Maternal line, paternal line. Insignia. Clearing practices. Rooting techniques. Grounding materia.

Homework: Choose one ancestor and trace their life journey in detail.

Saturday, 26 November 2022 (16-19h CEST)

Recommended literature for further research.

II

Temple Of Venus: Creativity & The Divine Feminine

The re-emergence of the Goddess archetype in the World, the feminine aspect of the Divine. Collective desire for harmonisation between polarities. A brief chronology on the perspectives on femininity in different cultures. Feminine force as the creatrix. Daily practice of beauty. Venus in myths, comparative cosmology. Understanding the Venus placement in our natal charts, our own love nature. Expressing Venus through an art form, as dedication. What does our own Venus look, sound, feel, taste like? Art exercises expressing our Venus nature (colour, clay, scent). Group journey through Magdalene's Garden.

Homework: Create a Venusian bath conjuring one's own floral bath salts formula.

Sunday, 27 November 2022 (13.30-16.30h CEST)

Recommended literature for further research.

III

Enchantments, Desire Lines, Visions: Expressing Our Will

Enchantments through a cultural, magical & psychological prism. Viewing the magician's toolbox alongside key concepts and techniques in contemporary psychology. Jung on psychology & alchemy. The societal role of the magician - a cross-cultural perspective. Element of Fire. Mars placements in our charts - how we will our reality into existence. Training our desire through its fulfilment. The concept of manifestation. Vision-board techniques vs. embodiment practices. The masculine principle - the differences between the Solar and the Martial approach - presence vs. action. Relaxation exercises and Solar Plexus affirmations.

Homework: A direct & immediate fulfilment of a heart's desire within reach.

Recommended literature for further research.

Saturday, 3 December 2022 (16-19h CEST)

IV

Storytelling, Soul Food & Medicine Of Remembrance

Storytelling as an act of remembrance, oral traditions, weaving our existence into being with words. Psychogeography & family lore. What our Moon placement says about what nourishes us. The Lunar calendar, understanding its logic, following its cycles. Heart medicine. Element of water. Animal wisdom, and relations with other than humans. The philosophy of animal totems. Our favourite fairy tale in childhood. Our favourite food (prepare it as snack for online session). Share our impressions of what feelings the food we loved, and the stories we were told bring up in us. Protective group heart meditation.

Homework: Find a story that was important to you in childhood. If possible, the actual book you first encountered it in. Read it to yourself, out loud.

Recommended literature for further research.

Sunday, 4 December 2022 (13.30-16.30h CET)

V

Soundtracks, Rhythms, the Vocalisation of Intent

Power of prayer & importance of vocalisation. Sound as guide to the pulse of the universe. A brief history of incantations. Twinship of rhythm of timing. Element of Air. Mercury in our charts, and what it touches within.

Our styles of oration. Words we love to say, sounds we love to hear. Compiling soundtracks to help solve a personal crisis. Solving riddles in our sleep with music. Group percussion session Tricking the Trickster – bring any percussion instrument to our session (drums, rattles, chimes, xylophone, bells, etc.)

Homework: Compile the soundtrack of your youth– twelve tracks. Listen to it for twelve days. Compile a soundtrack of your present and the road ahead – twelve tracks.

Saturday, 10 December 2022 (16-19h CET)

Recommended literature for further research.

VI

Divination - the Art of Tracing the Invisible

Intuition, instinct, prophecy – the precognitive spectrum. Divination & fortune-telling: temple to tavern, and back. Possibility, probability, certainty – the crossroads of free will and fate. Third Eye hygiene. Psychology & the hermetic arts. Natal placement of Jupiter, our relationship to spirit. One's own divination toolbox – working with the aethereal (cartomancy, I Ching, tarot, astrology, numerology). A Jungian view of the Major Arcana. Group exercises with found objects – divine its trajectory to you (bring an objet trouvé to the session).

Homework: Choose a Major Arcana card that most represents your present state of being and place it on your altar/bedroom table (or an image of it). Recall & record your dreams each morning, for seven days.

Recommended literature for further research.

Sunday, 11 December 2022 (13.30-16.30h CET)

VII

Poetic Imagination, the Gateway to the Divine

Soul intelligence, synchronicities, the poetic mind. Imaginal spaces. Dreamscapes. Magic & the arts. Holy juxtaposition, ways it can help realign us. Connecting to Anima mundi through being with Nature. Flower lore, colour therapy, fragrance frequencies – blooming into being. Importance of libraries, where we go to be with the abstract. Clearing virtual pollution. Training inspiration, evoking the numinous – techniques. Devotional practices – commit to a personal ritual for six weeks.

Homework: Write a poem. Visit a local library.

Recommended literature for further research.

Saturday, 17 December 2022 (16-19h CET)

VIII

Crystal Lore, Soul Protection & the Custodians

Our aethereal habitat, understanding dreamscapes. Cosmologies of Gaia. Sacred trees, plant wisdom. Custodianship & developing communal creativity. Urban activism, eco consciousness. Natural design, re-aligning with our environments. Constructing the invisible. Planets & their emissaries. Meet the Giants. Soul tribes, star lore. Cosmic origins, star families. Crystals and gemstones as storages of the Akasha. Collaborating with our crystal kin, protective techniques. Bring a pre-selected crystal to the session, introduce it to the group.

Homework: Befriend a tree, adopt a gemstone, gaze at the stars.

Recommended literature for further research.

Sunday, 18 December 2022 (13.30-16.30h CET)
